Back To change the appliance information double click column header. New record Save

## Gas Check NPGA Report Generator:

The screenshot shows a software window titled "Print Gas Check Report" with a light blue background. It contains several input fields and dropdown menus for configuring a report. The fields are arranged vertically on the left, with their corresponding controls on the right. At the bottom, there are two buttons: "Exit" on the left and "Continue" on the right.

Field Label	Control
Company Identification Code	DEM (dropdown)
Enter Date of Gas Check Report	Empty text box
Select Type of Report	D - Detailed (dropdown)
For Detailed Listing, Choose All Accounts or Quarter Only	All (dropdown)
Form Name	0001 (dropdown)
Printer Type	P1 - Oki Data Dot (dropdown)

Buttons: Exit, Continue

**Purpose:** Allows the operator to run different reports, by date, on selected codes to see what data has been entered for gas checks.
